Title: Nujel'm Diary

Author:

Day 1- Lost again.
Day 2- Tried to walk
back to Britain. Too
much water.
Day 3- Tured of
writing this silly
diary.

Dear Vandar, Im so
sorry you're lost. I
wish I had seen you, I
would have helped.

Ahh but why would
one wish to leave this
beautiful city? buts
its boring so i guess u
would

Bob- Finally, I made
it Nujel'm! Let us
now see if it is as good
as they say...

This is truly a city fit
for a bard to sit, calm
his nerves, and
compose songs fit for
any king's court!

Try walking the west
beach at night. The
peasants live there
and their sandstone
huts are lit up for all

to see. Privacy can be
saught at the southern
beach by the palace.
No one ever goes there
so it's the perfect
place for lovers to
meet.
